Press Release

Americollect, Inc. is among insideARM.com *Best Places to Work in Collections* for third consecutive year!

For Immediate Release

Manitowoc, WI October, 2011. Americollect, Inc. was recently named as one of the Best Places to Work in Collections for the third consecutive year. This program was created by insideARM.com and Best Companies Group.

The company culture is what sets Americollect apart from other agencies. It's about the team at Americollect, not the person. The entire company, from IT to Collectors, receives a bonus based upon achieving a low, medium, or high goal that the company sets for itself. Americollect has developed a reputation of excellence, with hundreds of applicants received each year.

Methodology of Selection

Companies from across the U.S. entered the two-part survey process to determine the Best Places to Work in Collections. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration, survey and analysis process and determined the final rankings.
